

# CAMP WITH PRINCE OF PEACE!

Join POP at Lutheran Memorial Camp • June 27 - July 2, 2021

Experience adventure, meet new people, spend a week outside, and grow in your relationships with your friends and God.

We value camp for the faith formation, friendships, and opportunities it brings our young people. Prince of Peace wants every child who wants to go to camp to have the opportunity. We value the time so much that we even help pay for members to attend (\$100 off the total cost is subsidized by POP and more financial assistance is available). All new campers & former Mowana campers receive an additional \$100 off from LOMO (Lutheran Outdoor Ministries in Ohio). We think that camp is so important that we send along caring adults from POP, including Mary Ellen Helms, to help with this independent step in your child's life.
