SCHOOL KITS

SOME IMPORTANT GUIDELINES TO REMEMBER

- If you are looking to purchase backpacks, the preferred style is often used in the U.S. for youth to carry athletic equipment. Try your local sporting goods store or search online using the keywords, “buy drawstring backpacks.”
- Before purchasing backpacks, make sure they meet the size requirements (14” x17”) and General Assembly Instructions. You can download a list from our website of suppliers who have appropriate bags available for purchase in bulk.
- Please give new items only.
- Please do not donate items with any religious symbols, messages or your group’s name.
- Please do not donate any items decorated with a U.S. flag, patriotic or military symbols, or references to the armed forces, including camouflage.
- Do not add other items or leave out any of the items listed.
- Do not enclose the Kit or any of its contents in plastic bags.

Completed Kits like these offer comfort to those suffering and express love to our neighbors in need across the globe.

PERSONAL CARE KITS

SOME IMPORTANT GUIDELINES TO REMEMBER

- Be sure to shop for light- or medium-weight towels, which are easier for Kit recipients to hand wash and air dry, take up less storage space and are considerably less expensive than the fluffier towels we may prefer to use.
- Bath towels vary in size. The 52" X 27" size listed in the guidelines is the maximum size. 20" x 40" is a good guideline for a minimum size.
- Please give new items only.
- Please do not donate items with any religious symbols, messages or your group's name.
- Please do not donate any items decorated with a U.S. flag, patriotic or military symbols, or references to the armed forces, including camouflage.
- Do not add other items or leave out any of the items listed.
- All items should be new and in good condition.
- Do not enclose the Kit or any of its contents in plastic bags.

Completed Kits like these offer comfort to those suffering and express love to our neighbors in need across the globe.
